

LMAX Digital recognised in prestigious Financial News Excellence in Trading & Tech Awards 2022

London, 30 June 2022 – LMAX Digital, the leading institutional spot crypto currency exchange and part of LMAX Group, has been awarded Best Crypto Trading Platform in the Financial News Excellence in Trading & Tech Awards 2022.

The awards, which are voted on by a panel of independent judges and senior editorial staff, celebrate the companies and individuals that stand out for the strength of their businesses in Continental Europe and the UK.

Launched in 2018 to exclusively offer trading to institutional market participants, LMAX Digital has become the leading institutional spot exchange for crypto currencies and today works with the largest global institutions trading crypto currencies in the US, Europe and Asia.

LMAX Digital has a significant share of the spot crypto currency market and has cemented its position as the primary price discovery venue in the industry.

Jenna Wright, Managing Director of LMAX Digital, commented, “We’re thrilled to have won this award which is a testament to the hard work of our team and recognises their commitment in building LMAX Digital into the leading institutional crypto currency exchange. Our success is grounded in serving our clients, delivering solutions to over 600 leading financial institutions who choose to put their trust in us.”
